Recap of Fall Rebuilding Together Days

Well, the fall workdays were wonderfully successful this year as you'll see in this newsletter!

For more pictures and info please check out our FaceBook page at www.facebook.com/rtebn.org.

For our fall projects - we returned to a home in Berkeley that was in serious need of exterior maintenance.

We also continued our foray into Richmond, working on our first ever home there. We began our outreach into Richmond last fall by working on Brighter Beginnings - an organization to help young families become stronger and more self-sufficient.

We continued our outreach by working on two homes this fall.

SAVE THE DATE! Spring 2012 workdays will be April 14th, 21st, and 28th. Please contact Julie Billington at 510-644-8979 or julieb@rtebn.org if you have questions about the spring workdays.

Fall Workdays - Highlights!

One of our Berkeley homes - In the two workdays RTEBN volunteers scraped off loose paint, put a fresh coat of paint on the exterior, sealed holes in walls, repaired leaky windows and gave a needy homeowner a house that will fare well this winter.
