Rebuilding Together is the largest volunteer organization in the U.S. dedicated to rehabilitating homes for low-income seniors and people with disabilities. We want those we help to be able to live at home safely and with dignity.

Repairs are free. However, if you are accepted in the program, we ask that you do not plan to sell, rent or transfer ownership of your home for 3 years after our work is complete. We require that all able-bodied family and friends over the age of 14 who are at the home on our workdays help out in some way.

Everyone we work with has financial need; every home we work on needs significant work. We have limited resources and receive applications from many more homeowners than we can help. We do not maintain a waiting list. However, you may re-apply next year if your home is not chosen, unless we have determined that there is not enough work at your home to occupy a volunteer team for one day or if your application has fraudulent information.

Please feel free to contact the Rebuilding Together East Bay-North office if you have any questions. Thank you for your application.
